3. Give us your pen as a sign of your commitment, and we'll send it to East Africa and give it to them!

Give us your email and we will send you photos of the kids in our schools using the pens!

Collect the most pens and postcards outside your school or church and you will receive an artwork drawn by the children who receive your pens! Go to [www.fieldsoflife.com.au](http://www.fieldsoflife.com.au) for collection resources and more details.
